

EDC criminals may be able to have clean record

People convicted of misdemeanors or felonies in El Dorado County more than one year ago that resulted in jail time, alternative sentencing, or probation may be eligible to clean up their criminal record.

The Public Defenders Office is putting on a clean slate clinic on April 6. For information on eligibility, go **online**.

Attorneys at the Public Defenders Office will be able to answer questions on March 28, April 4 and April 11 from 2-4pm; call 530.621.6440.
