

# **Letter: Library thanks service clubs for help**

**To the community,**

The South Lake Tahoe Library would like to thank our community, Soroptimist International of Tahoe Sierra and South Lake Tahoe Optimist Club for supporting our upcoming Summer Reading Challenge. Through donations from the community both of these organizations were able to sponsor performers for the Summer Reading Challenge. Soroptimist International of Tahoe Sierra is sponsoring Wild Things Inc. and the South Lake Tahoe Optimist Club is sponsoring Mad Science and the Magical Ventriloquist.

On behalf of the South Lake Tahoe Library, I want to say thank you again to the community and these two organizations for so generously supporting our library and the community that we serve.

Sincerely,

**Kimberly Diebolt, library assistant South Lake Tahoe Library**
