

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Mewtoo

Mewtoo is a nice 1 year old girl who has been at the shelter the longest of all cats, almost exactly six months, perhaps because she needs to be an only pet. But the shelter isn't giving up on her. She is affectionate and likes children, and deserves a good home.

Her adoption fee has been paid by a kind donor.

Mewtoo is spayed, microchipped, tested for FIV, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.
