

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Spot

Spot is a 4 year old American Bulldog who was turned into the shelter because his family's new baby was allergic to him.

He is house trained, walks nicely on the leash and he loves car rides. He likes other dogs and has lived with children. Spot would do well in just about any household.

Spot is neutered, microchipped, tested for heart worm, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.
