

# Fire ops to resume in Lake Tahoe Basin

Weather permitting, Tahoe Douglas Fire Protection District and the U.S. Forest Service may continue prescribed fire operations April 25.

On the East Shore, operations may take place near Spooner Summit, Camp Galilee and on Kingsbury Grade near Edgewood Drive. On the South Shore, operations may take place near Lake Tahoe Boulevard and Sawmill Road, Panther Lane near South Tahoe High School, off Highway 89 near Spring Creek, and off Santa Claus Drive and West River Parkway near Christmas Valley. To view a map with project locations and details, go **online**.

Residual smoke may be seen in locations where operations have taken place over the last several weeks. Each prescribed fire operation follows a prescribed fire burn plan, which considers temperature, humidity, wind, moisture of the vegetation, and conditions for the dispersal of smoke. This information is used to decide when and where to burn.
