

Night bike races to resume in Meyers

Tahoe Games Bike Night series returns May 27 at Lake Tahoe Golf Course in Meyers.

On Course Events plans to use lights, themed bridges and music throughout to transform the golf course into a family-friendly, cross country course that will challenge every rider. The course will be designed for ages 10 and older.

The event series will be the last Friday of the month through September.

Registration will open at 7pm, with races set to begin about 9pm. Races will be conducted in three heats. Awards and an after party in the clubhouse will follow the race.
