

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Kara

Kara is an 18-month old German shepherd-border collie mix who is very skinny right now. She is a very sweet dog with many shepherd traits, including that she is very smart, but she has had little training and will do best with some classes.

She is good with dogs, cats and kids. Kara has beautiful smooth fur despite being underweight and will make a wonderful pet.

Kara is spayed, microchipped, tested for heart worm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
