

Dugard to give interview on national TV

Jaycee Lee Dugard, who was kidnapped from a bus stop in Meyers when she was 11 and then was held captive for 18 years before being released in 2009, will be on a special edition of "20/20" with Diane Sawyer.

The show will air July 8.

This coincides with the release of Dugard's second book, "Freedom: My Book of Firsts" – it comes out July 12.

Sawyer interviewed Dugard in 2011 as well.
