

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Hannah

Hannah is a 2 year old Dogue De Bordeaux mix who weighs about 50 pounds.

She is a very sweet, calm girl who has had a rough life so far, and is happy to be treated nicely now. Like bulldogs, this breed doesn't do well in excessive heat, and owners should be careful not to over-exercise them.

Hannah gets along well with the other big dogs at the shelter. As with all dogs you should bring your dog to meet her.

Hannah is spayed, microchipped, tested for heart worm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.

For spay-neuter assistance for South Tahoe residents, go **online**.
