

# Living history event at Vikingsholm

Sierra State Parks Foundation is hosting a Conversation with History on July 7.

This fundraising evening at Vikingsholm includes a “behind the scenes” tour of the castle and wine and hors d’oeuvres in the courtyard. Longtime summer guest of Lora Knight, **Helen Smith** will share her memories at Vikingsholm.

Each attendee will also receive a signed copy of Smith’s booklet “Vikingsholm”. Tickets are \$65 each and can be purchased **online**.

The Sierra State Parks Foundation’s fundraising efforts at Vikingsholm have most recently included the restoration of the sod roof, upgrading all electrical components in the castle, and providing free school group tours. SSPF is currently fundraising to stabilize the south turret of the castle.
