

# Mountain bike training for female students

Middle and high school girls who want to improve their bike skills and learn race strategies and tips are invited to a series of clinics presented by Bike Like a Girl.

They are Aug. 17, Aug. 22 and Sept. 12 at North Tahoe High School from 5:30-7:30pm.

Bring your bike, helmet, gloves, snack and water.

The clinics are free, though organizers are asking for a \$25 donation per session to benefit girls cycling.

To register, email [colleenwanty@gmail.com](mailto:colleenwanty@gmail.com). Provide your name, age, team, and location.
