

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Lily

Lilly is a 3 year old English Pointer mix. Like all pointers, she is very energetic and will need a home that will provide her with daily, extended exercise such as jogging or running.

She is very sweet and has lived with cats, dogs and children. Lilly is house trained and walks nicely on the leash. This nice girl has some separation anxiety and so needs an owner who will help her with that. A metal crate and a runner system outside would be good for her.

Lilly is spayed, microchipped, tested for heart worm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet. For spay-neuter assistance for South Tahoe

residents, go **online**.
