

Tahoe Women's Fund celebrating second year

The Tahoe Women's Community Fund's second annual membership dinner is Oct. 12.

This nonprofit entity was launched last year with the goal of securing money from members that will then be doled out to entities roughly from Glenbrook to Meyers to Camp Richardson. While the members may come from anywhere, the money is staying on the South Shore. The Tahoe Women's Community Fund has three annual membership levels – \$100, \$250 and \$1,000. A percentage of each of these will go into an endowment fund to help sustain the organization.

The dinner is at Harrah's Tahoe from 6-8pm. Cost is \$25; tickets are available **online**.
