

AAA to host open house

AAA Carson City is hosting an open house in conjunction with the Carson City Chamber of Commerce breakfast mixer on Nov. 1.

The fall festival is slated from 9am-4pm.

The AAA branch located at 2901 S. Carson St. is the closest office to people on the South Shore.

On Tuesday there will be stations designed to inform members and prospects of the various benefits AAA has, including travel advice and how to be safe driving in winter conditions.

The office will also have product discounts, games with prizes and refreshments.
