

Here's the most popular Halloween treat by state

By Ryan W. Miller, USA Today

Candy corn lovers, you're not alone.

In a survey of more than 40,000 people around the United States to determine the most popular Halloween candies, candy corn claimed the top honors in the most number of states.

Oregon, Wyoming, Tennessee, Texas and South Carolina all picked the polarizing treat as their favorite candy.

Elizabeth Scherle, co-founder and president of Influenster, the website that surveyed its users to determine the top candies by state, said candy corn's victory surprised her.
