

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Porky

Porky is one of two cute male kittens waiting at the shelter for their new homes. Both boys are 2- to 3-months-old, and very playful.

These kittens, along with four other older and very nice cats, are ready to move out of the shelter environment and into new homes.

Porky and the other cats are spayed/neutered, microchipped, tested for FIV, and vaccinated. They are at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.

For spay-neuter assistance for South Tahoe residents, go **online**.
