

When can you light up if Nev.'s Q2 passes?

By Mark Robison, Reno Gazette-Journal

When can you start smoking (or eating, drinking or vaping) marijuana if Nevada's Question 2 ballot initiative passes? When will stores start selling recreational pot in Reno?

We connected with Joe Brezny, spokesman for the Coalition to Regulate Marijuana Like Alcohol, to learn the answer to these and other questions that those looking forward to legalized recreational marijuana may want to know.

Two polls have given a slight edge to passage.
