

EDC supes to discuss capital improvement program

El Dorado County Board of Supervisors on Dec. 6 are scheduled to have a public hearing on the county's capital improvement program and traffic fee mitigation program.

Certification of the environmental impact report for the proposed West Slope roadway traffic improvement and mitigation fee program is expected.

The board will have seven related items to vote on.

The hearing will start no sooner than 2pm at the Community Development Agency, Building C Hearing Room, Placerville.
