

# Light Up a Life honors those who have died

Light Up a Life is hosted by Barton Health's hospice staff to honor those who have died.

It is a nondenominational ceremony to share readings and a remembrance message. The event will culminate with the lighting of tree decorated with photo ornaments honoring individuals lost.

The event is Dec. 6 from 6-7pm in the North Room at Edgewood Tahoe.

To have a loved one included, mail hospice staff a wallet-sized photo with the name of the person on the back to Barton Hospice, 2092 Lake Tahoe Blvd, Suite 500, South Lake Tahoe, CA 96150 by Nov. 28.
