

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Aqua

Aqua is a nice 2-year-old Husky. She has lots of energy, and needs a very secure yard as like most Huskys she likes to escape.

Aqua is spayed, microchipped, tested for heart worm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.

For spay-neuter assistance for South Tahoe residents, go **online**.
