

Nev. 9th most popular moving destination in U.S.

By Jason Hidalgo, Reno Gazette-Journal

A lot of folks decided to make the move to the Silver State last year.

Nevada was the ninth most popular destination for movers in 2016, according to the latest United Van Lines National Movers Study.

The ranking represents a slight drop from 2015, when Nevada was ranked eighth in the nation. Nevada also fell from third to fourth place among states in the Pacific and Mountain West, behind Oregon, Idaho and Washington.
