

Fire operations scheduled throughout Tahoe

Tahoe Douglas Fire Protection District, California State Parks, and U.S. Forest Service plan to continue prescribed fire operations beginning May 22.

If conditions are favorable, operations may take place near Sugar Pine Point, Glenbrook, Lower Kingsbury Grade, Ski Run Boulevard, Fallen Leaf Lake and Meyers. Operations may continue over the next several weeks, weather permitting.

To receive prescribed fire notifications, send an email to pa_ltbmu@fs.fed.us.

Each prescribed fire operation follows a prescribed fire burn plan, which considers temperature, humidity, wind, moisture of the vegetation, and conditions for the dispersal of smoke. This information is used to decide when and where to burn.
