

Gardening workshops at South Tahoe Library

Gardening is theme this month for Friends of the Library in South Lake Tahoe.

On May 20 at 10am there will be an asparagus growing workshop. This hardy perennial vegetable can become part of an edible landscape, and a mainstay even in a Tahoe garden.

Tomatoes will be the topic on May 30 at 6pm.

UCCE master gardeners of Lake Tahoe will be spearheading both free workshops.

The library is located at 1000 Rufus Allen Boulevard.
