

Alleged sexual predator arrested in SLT

Omar Ocegüera

A 27-year-old Tracy man was behind bars on seven felony counts related to sexual relations with a 16-year-old girl.

Omar Ocegüera was arrested July 2 in South Lake Tahoe. He was transferred to a jail in San Joaquin County on Monday because that is where the alleged crimes occurred.

Bail has been set at \$1.515 million.

Ocegüera and the teenager had been missing since June 18. The girl was in the car when they were stopped by local officers. She has since been reunited with her parents.
