

# How to buy pot legally in Nevada

**By Jenny Kane, Reno Gazette-Journal**

While it may not be your first time buying pot, it may be your first time doing so legally.

As of today, recreational marijuana will be available in select dispensaries in Northern and Southern Nevada, and an expected green rush is expected to follow.

While the Nevada Department of Taxation has yet to release a list of dispensaries licensed to sell recreational marijuana during the early start program, we spoke with one of the co-owners of Mynt, Joey Gilbert, about what you may need to know if you stop at a pot shop.
