

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Fern

Fern is a 5-year-old purebred Doberman pinscher. She is a nice girl who gets along well with other dogs. Fern is a bit stressed in the shelter, but is settling in. She will need an experienced owner.

Fern is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.

Animal Coalition of Tahoe, which offering spay and neuter vouchers, has had to put that program on pause until more funds are raised. To donate and learn more about ACT, go **online**.
