

Blood drive in South Lake Tahoe

BloodSource will host a South Lake Tahoe blood drive on Dec. 1.

The drive is sponsored by the Barton Memorial Hospital Auxiliary.

Walk-ins are welcome.

Donors must weigh at least 110 pounds, be at least 16 years old (16 and 17 year olds will need a signed BloodSource Parental consent form) and be generally healthy. There is no upper age limit for blood donations. Donors must bring a photo ID and should drink plenty of fluids before donating.

It will be at the South Lake Tahoe Recreation Center on Rufus Allen Boulevard from noon-5pm.
