

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Coco

Maisy and Coco are mother and daughter Labradoodles, and they have been at the shelter for over a month, much longer than we expected. Even though they are “designer dogs,” they are not puppies.

They are 9- and 7-years-old, with plenty of happy and healthy years left for a family to enjoy. Severely matted when they arrived at the shelter, they have been groomed and are beautiful and friendly chocolate Labrador/standard Poodles. Maisy and Coco can be adopted together or separately.

Maisy and Coco are spayed, microchipped, tested for heart worm, and vaccinated. They are at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter’s Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.

For spay-neuter assistance for South Tahoe residents, go **online**.
