

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Dex

Dex is a very sweet 2 year old border collie/Australian cattle dog mix. He is a little shy at first, but pretty soon after meeting new people he is leaning in for pets. He loves to go for walks.

Dex weighs about 40 pounds. He likes other dogs and has lived with cats. He would do best in a home with children over 12.

Dex is neutered, microchipped, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
