

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Kahlua

Tucker

Kahlua and Tucker came to the shelter together, and we would like them to go to their new home together too.

Kahlua is a 3-year-old female Yorkshire terrier/Chihuahua, and Tucker is a 9-year old male poodle mix. They are very friendly

and love to go for walks. Kahlua is a bit of a character, with a cute spring in her step, and Tucker is a bit more sedate, but he has plenty of charisma.

Kahlua and Tucker are spayed/neutered, microchipped, tested for heart worm, and vaccinated. They are at the El Dorado County Animal Services shelter in Meyers, along with other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet. For spay-neuter assistance for South Tahoe residents, go **online**.
