

# Learn how to improve SEO

Expand SEO knowledge with none of the hassle at the April 18 Level UP workshop put on by the Lake Tahoe South Shore Chamber of Commerce.

This workshop will feature discussion on SEO tactics, increasing visibility in search engine results and essential website and content strategies. Workshop facilitators are Dan Keenan, graphic designer and owner of Hatchback Creative, and Kathleen Hood, digital technology consultant at Local Boost Service.

The cost for each Level UP workshop is \$10 for chamber members and \$20 for non-chamber members. This workshop is a “lunch and learn” style so bring your “brown bag” lunch.

The workshop is at the chamber office in Stateline.
