

# Tahoe Tails – Adoptable Pets in South Lake Tahoe

Tundra

Tundra is a large 2-year-old Husky/Malamute mix. He loves to play with other dogs. He has great manners, except when it comes to cats, chickens, and other small animals.

He spent part of this past Saturday at the Earth Day celebration, and enjoyed meeting lots of people and dogs, plus he posed for photos with Smokey Bear. Tundra likes treats and will eagerly sit, shake hands, lie down, and roll over for them.

Tundra is neutered, microchipped, tested for heart worm, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet. For spay-neuter assistance for South Tahoe residents, go **online**.
