

'Giants in the Sky' at LTCC

Tahoe Arts Project will present "Giants in the Sky" this month performed by 30 South Tahoe Middle School students at Lake Tahoe Community College's Duke Theater.

ACT ONE is designed to help fill a void for middle school-aged students, given the absence of drama and other arts programming available.

This story explores the world of giants who live above the clouds. Ever since they left Earth a long time ago, the giants have made a life up above where their job is to keep the sky beautiful.

The performances are May 18 and May 19 at 7pm. Tickets will be available at the door beginning at 6:15pm; adults \$10 and children \$5. Doors open at 6:30pm.
