

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Rosco

Rosco is a year-old yellow Labrador mix who weighs about 75 pounds.

He loves to play with people and other dogs. Be sure to call before coming to the shelter to be sure he hasn't been adopted yet.

Rosco is neutered, microchipped, tested for heart worm, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet. For spay-neuter assistance for South Tahoe residents, go **online**.
