

Will's Kids bringing 'Macbeth' to Valhalla

Now in its third year, Will's Kids for the Arts is a free art fair for children on the South Shore, featuring arts and crafts booths and a performance by Lake Tahoe Shakespeare Festival's D.G. Menchetti Young Shakespeare Program.

It will be Aug. 3 from 11am-4pm at Valhalla.

There will be an hourlong performance of Lake Tahoe Shakespeare Festival production of "Macbeth" that is an interactive version appropriate for children of all ages.

Will's Kids for the Arts brings together Lake Tahoe nonprofit service organizations with local arts organizations to expose local youth to the arts and allow them to discover the joy of self-expression while promoting arts education on the South Shore.

Reservations for the performance are requested.
