

## Join us for a Lake Tahoe Project WET Curriculum Workshop

This action-packed, hands-on workshop is for anyone interested in teaching about natural resources, conservation and environmental education. Great hands-on curriculum training for anyone working with K-12 youth.

All activities are geared toward teaching about Water Quality issues facing the Lake Tahoe Region

**Wednesday February 3, 2010, 10 a.m. – 4 p.m.**

Tahoe Center for Environmental Sciences  
291 Country Club Drive, Incline Village, NV 89451

### What is Project WET?

Project WET activities engage students with hands-on, interdisciplinary lessons that teach important concepts about water. Project WET activities are designed to satisfy the goals of educational programs by complementing existing curricula. The goal of Project WET is to promote the awareness, appreciation, and knowledge of our water resources. Participants receive a copy of the **Project WET Curriculum and Activity Guide Book!**

### To register contact:

Christine McMorrow
