

Lead Safe Worker Training for Renovators, Repair and Painters (RRP) One-day Training Course

The City of South Lake Tahoe and the Lake Tahoe Community College Foundation have teamed up to provide 8-hour Lead Safe Worker Training for Renovators, Repair and Painters at the Lake Tahoe Community College. The cost of training, with the exception of \$50, will be covered by a grant from the U.S. Housing and Urban Development Department. Registration will be offered to local construction workers on a first-come first-served basis. Class size is limited to 20 participants per class.

Registration Form
