Explore Tahoe: An Urban Trailhead Presents "Happy Trails"

Explore Tahoe will offer a variety of guided trail opportunities from interpretive hikes on historic trails, to guided mountain bike rides and kayaking on the water trails. Bird watching will also be available through the International Migratory Bird Festival at Taylor Creek and other destinations. Tahoe Rim Trail Association will offer trail building on the new Daggett Summit trail system. Shuttle Service from Explore Tahoe will be provided to the trailheads upon request.

Happy Trails is one of the thousands of trail celebration events being held across the country as part of American Hiking Society's 18th Annual National Trails Day Event. © Get out and Get Happy on June 5th ~More details coming soon.....
