Jaime Olive—AmeriCorps Member, Parasol Community Collaboration

Jaime Olive traveled to Tahoe from Athens, GA where she received a BA in Anthropology from the University of Georgia. Following an interest in the non-profit sector, Jaime became an AmeriCorps Member with the Parasol Community Collaboration in September, 2009. Nearing the end of her year of service as an AmeriCorps Member, Jaime is amazed at the many skills and insights she has acquired. One of her accomplishments this year has been creating a social media strategy for the Parasol Community Collaboration.
