

Snowfall Totals through Saturday

Winter Storm Impacts

- Low pressure diving south along the west coast will bring snow across the Sierra and portions of western Nevada through Saturday.
- Gusty winds will reduce visibility especially across higher elevations, creating whiteout conditions at times.
- Difficult travel conditions, chain controls, long delays or closures over major passes through Saturday.

Winter Storm Warnings in effect until:

- Reno/Carson City/Minden: 4pm today
- Lassen/Plumas Counties: 4pm today
- Mono County/Lake Tahoe: 4am Saturday

Winter Weather Advisories through 4pm:

- Mineral/Lyon Counties
- Western NV Basin and Range

Last Updated: 12:34 AM PST
