

Become a Local Expert!

Attend the UC Davis Tahoe Environmental Research Center 2012 Docent Training

We are recruiting community volunteers to give educational tours at our Education Centers in Incline Village and Tahoe City. This free training prepares volunteer docents to become part of our Education Team.

If you are passionate about sharing Lake Tahoe, science, and the environment with others, this is your calling!
Snacks will be provided at each session.

** Attendance at all three sessions is strongly recommended. **

2012 Docent Training Schedule

- **Session 1:** Tuesday, June 19, 2 – 5 pm
Tahoe Center for Environmental Sciences
291 Country Club Drive, Incline Village, NV
- **Session 2:** Thursday, June 21, 2 – 5 pm
