

We have our vision:

Meyers is an ideally situated spacious and walkable mountain community that values sustainability, health, wellness, and the natural environment. Uniquely concentrated with year-round outdoor sport and recreational opportunities, the Meyers mountain culture is the hallmark of our thriving local-based economy, boasting a diverse commercial and retail environment, welcoming visitors and providing residents with an extraordinary place to live, work, and play.

Now let's make it happen:

Come be part of the updating and implementation of the Meyers Community Plan

What is the Meyers Community Advisory Council?

Formerly known as the Meyers Roundtable, the MCAC will be the liaison between Meyers and its surrounding communities and El Dorado County staff for the purpose of overseeing the updating and implementation of the Meyers Community Plan. Additionally, the Council will serve as the mechanism for all the communities to discuss issues of importance that may impact our overall vision. *All residents and businesses in the unincorporated area of El Dorado County on the South Shore are invited to actively participate in the realization of this vision.* Selection of the council will take place during the course of the meeting.

Want to participate, but not as a council member? Join in the subcommittee work led by council members. For more information, contact John Hitchcock at (775)589 5220
