Lake Tahoe Basin and El Dorado County Roadwork Schedule Sunday through Saturday, Sept. 7 - 13, 2014

LONG-TERM PROJECTS

State Route 89 (Placer County): Work continues on a \$41 million project from Tahoma to "Y" junction with State Route 28 in Tahoe City on Lake Tahoe's West Shore that will upgrade storm water drainage and treatment systems, add curb and gutter, resurface and realign the road, add new left-turn pockets and widen shoulders on a 9-mile stretch of the highway. Completion is expected in fall 2016.

Sept. 7 - 13

State Route 89 (Placer County) from Wilson Avenue in Tahoma to McKinney Creek in Tahoe City: Motorists can expect one-way traffic control at various locations around the clock from **8 p.m. Sunday until noon Friday** for paving, grading and gas line relocation work.

State Route 89 (Placer County): Work continues on a \$4 million project from the "Y" junction of State Routes 28/89 in Tahoe City to Alpine Meadows Road making drainage and slope corrections on about a 4-mile stretch of Highway 89. Completion is expected this fall.

Sept. 2-5

State Route 89 (Placer County) from Fairway Drive in Tahoe City to Alpine Meadows Road: Motorists can expect one-way traffic control at various locations from **6 p.m. to 8 a.m. Sunday through Friday** for drainage work.

State Route 89 (El Dorado County): Work continues on a \$20 million water-quality project from 0.1 mile north of the Eagle Falls Sidehill Viaduct No. 5 in Emerald Bay to the Meeks Creek Bridge in Meeks Bay. This project is adding new drainage features, curb and gutter in some locations, and resurfacing a nearly 7-mile stretch of the

highway. Completion is expected in fall 2015.

Sept. 7 - 12

State Route 89 (El Dorado County) from Meeks Creek to 1 Ring Road in Rubicon Bay: Motorists can expect one-way traffic control at various locations from **around the clock from 6 a.m. Sunday until 11 a.m. Friday** for paving and drainage work.

State Route 28 (Placer County): Work continues on Placer County's \$50 million Kings Beach Commercial Core Improvement Project from State Route 267 to Chipmunk Street. The project will install curb and gutter, sidewalks, roundabouts and drainage systems to enhance pedestrian and bicycle mobility, improve safety and provide water-quality improvements. Completion is expected in fall 2015. For more information on the KBCCIP, go to: <http://kingsbeachcore.info/>

One lane in each direction of the highway will be open during construction. The contractor is working 7 a.m. to 10 p.m. weekdays and 7 a.m. to 5 p.m. Saturdays through Oct. 15.

U.S. Highway 50 (El Dorado County): Work continues on a \$12.1 million water-quality and roadway improvement project from the "Y" intersection of Highways 50 and 89 to the South Lake Tahoe Airport adding curb and gutter, sidewalks, new drainage systems and repaving the highway. Completion is expected this fall.

Sept. 8 - 12

U.S. Highway 50 (El Dorado County) from Jewell Road to the "Y" intersection: Eastbound and westbound motorists can expect alternating lane closures from **7 p.m. to 11 a.m. Monday through Thursday** for striping and asphalt work.

U.S. Highway 50 (El Dorado County): Work continues on a \$15.3 million water-quality project from Johnson Pass Road to Incline Road in Meyers to install new drainage systems, widen shoulders and add bike lanes in one section, and restore a section of the exiting bike path.

Sept. 8 - 12

U.S. Highway 50 (El Dorado County) from Johnson Pass Road to Sawmill Road: Motorists can expect one-way traffic control at various locations from **6:30 a.m. to 5:30 p.m. Monday through Friday** for drainage work.

U.S. Highway 50 (El Dorado County): Work continues on a \$15.1 million project to replace the bridge over Sly Park Road in Pollock Pines. The project will also add sidewalks to both sides of Sly Park Road, curb and gutter and curb ramps. Completion is expected by spring 2015.

Sept. 7 - 13

U.S. Highway 50 (El Dorado County) at Sly Park Road: Motorists can expect the westbound on-ramp closed intermittently from **9 p.m. to 5 a.m. Sunday through Saturday** and the off-ramp closed intermittently from **7 p.m. to 4 p.m. Sunday through Saturday** for bridge work. Highway 50 is reduced to one lane in each direction during the length of the project.

U.S. Highway 50 (El Dorado County): Work continues on an \$18.5 million project by El Dorado County to reconstruct the U.S. Highway 50 ramps to El Dorado Hills Boulevard and Latrobe Road in El Dorado Hills. Completion is expected this fall.

Sept. 7 - 13

U.S. Highway 50 (El Dorado County) at El Dorado Hills Boulevard/Latrobe Road: Eastbound and westbound motorists can expect the on- and off-ramps closed from **9 p.m. to 6 a.m. Sunday through Friday and 9 p.m. Friday to 9 a.m. Saturday** for miscellaneous work.

U.S. Highway 50 (El Dorado County): Work continues on a \$57 million project by El Dorado County to construct a new overcrossing over U.S. Highway 50, new on- and off-ramps with signalized intersections, and new bicycle and pedestrian facilities at Silva Valley Parkway in El Dorado Hills. Completion is expected in 2016. For more information on this project, go to <http://www.edcgov.us/SilvaValley.aspx>

Sept. 7 - 13

U.S. Highway 50 (El Dorado County) from Latrobe Road/El Dorado Hills Boulevard to the Carson Creek Bridge: Eastbound and westbound motorists can expect alternating lane and ramp closures from **8 p.m. to 6 a.m. Sunday through Friday and 9 p.m. Friday to 6 a.m. Saturday** for bridge work.

SHORT-TERM PROJECTS

State Route 49 (El Dorado County) from Meadow View Acres Road to Saint Florian Court: Motorists can expect one-way traffic control from **8 a.m. to 1:30 p.m. Monday**

through Friday for pavement work.

U.S. Highway 50 (El Dorado County) from Sand Flat Campground to 35 Milestone Road east of Kyburz: Motorists can expect one-way traffic control at various locations from **6:30 a.m. to 8 p.m. Monday through Thursday** for drainage work.

U.S. Highway 50 (El Dorado County) from F Street to North Highway 89: Motorists can expect various lane closures from **midnight to 7 a.m. Sunday** for striping operations.

State Route 193 (El Dorado County) from the junction with State Route 49 in Cool to American River Road: Motorists can expect one-way traffic control from **8 a.m. to 1:30 p.m. Monday through Friday** for pavement work on a new bicycle path adjacent to the highway.

State Route 193 (El Dorado County) from Pilgram Road in Greenwood to South Street in Georgetown: Motorists can expect one-way traffic control at various locations from **6 a.m. to 8 p.m. Tuesday through Friday** for pavement work.

State Route 193 (El Dorado County) from Rock Creek Road to Shoo Fly Road: Motorists can expect one-way traffic control at various locations from **7:30 a.m. to 3 p.m. Monday through Thursday** for tree work.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above.

Lanes are numbered from the center divide (#1) to the shoulder (#2, 3, 4, etc.). Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 1-800-427-7623 (ROAD) or visit Caltrans' "QuickMap" website at: <http://quickmap.dot.ca.gov/>

For the latest chain control information in the Northern Sierra, visit the Caltrans District 3 North Region Winter Operations website located at:
