## Sierra Roadwork Schedule, Sunday through Saturday, August 2 – August 8

### LONG-TERM PROJECTS

**Interstate 80** (Placer County) from Brace Road to Magra Road: Work continues on a \$36 million project to increase the vertical clearance of nine bridge structures in south Placer County to 16 feet, 6 inches. The vertical clearance will be increased on six structures by lifting the existing bridge deck and the other three will have the roadway below dug down. More information on the project is available at [www.raise80.com](http://www.raise80.com)

#### August 2 – August 8

**Interstate 80** (Placer County) from Sierra College Boulevard to Newcastle Road: Eastbound and westbound motorists can expect alternating lane closures and on-ramp closures from **8 p.m. to 9 a.m. Sunday through Friday** for bridge work. Motorists also can expect one-way traffic control from **6 a.m. to 8 p.m. Monday through Friday** on the Brace, Gilardi, Horseshoe Bar, King, Penryn and Magra overcrossings for bridge work.

**State Route 89** (Placer/Nevada County) at the Union Pacific Railroad undercrossing south of Interstate 80: Ground breaking on April 2 to officially begin project to construct a pedestrian and bicycle tunnel under the Union Pacific Railroad adjacent to the existing SR 89 undercrossing and construct a Class I paved trail along the east side of SR 89 between Deerfield Drive and West River Street.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above. Lanes are numbered from the center divider (#1) to the shoulder (#2, 3, 4, etc.).

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 800-427-7623 (ROAD) or visit Caltrans "QuickMap" website at: <http://quickmap.dot.ca.gov/>
