## Lake Tahoe Basin and El Dorado County Roadwork Schedule Sunday through Saturday, September 6-12, 2015

**NOTE:** Most lane closures are restricted until 8 p.m. Tuesday, September 8 because of the Labor Day holiday weekend.

### LONG-TERM PROJECTS

**State Route 89** (Placer County): Work continues on a \$70.1 million project from Tahoma to the "Y" junction with State Route 28 in Tahoe City on Lake Tahoe's West Shore that will upgrade storm water drainage and treatment systems, add curb and gutter, resurface and realign the road, add new left-turn pockets and widen shoulders on a 9-mile stretch of the highway. Completion is expected in fall 2016.

#### Sept. 8-11

**State Route 89** (El Dorado/Placer County) from McKinney Drive to St. Michael's Court: Motorists can expect one-way traffic control at two locations around the clock from **8 p.m. Tuesday until 10 a.m. Friday** for landscaping and curb and gutter work.

**State Route 89** (El Dorado County): Work continues on a \$20 million water-quality project from 0.1 mile north of the Eagle Falls Sidehill Viaduct No. 5 in Emerald Bay to the Meeks Creek Bridge in Meeks Bay. This project is adding new drainage features, curb and gutter in some locations, and resurfacing a nearly 7-mile stretch of the highway. The project will be completed this fall.

#### Sept. 9-11

**State Route 89** (El Dorado County) from 3 Ring Road to 1 Ring Road: Motorists can expect one-way traffic control from **6 a.m. to 7 p.m. Wednesday through Friday** for paving.

**State Route 89** (El Dorado County): Work continues on an \$8 million project from

Meeks Creek to Wilson Avenue in Tahoma, installing curb and gutter and drainage systems to collect and treat stormwater. The highway will also be resurfaced. The project will be completed this fall.

**Sept. 9-11**

**State Route 89** (El Dorado County) from Meeks Creek to Wilson Avenue: Motorists can expect one-way traffic control from **6 a.m. to 5 p.m. Wednesday and Thursday and 6 a.m. to 11 a.m. Friday** for miscellaneous work.

**State Route 89** (El Dorado County): Work continues on a \$25 million project from the "Y" junction with U.S. Highway 50 in South Lake Tahoe to Cascade Road, north of Camp Richardson. Curb, gutter and sidewalks will be added in the 1.1-mile four-lane section, and the highway will be widened in the two-lane section to Visitor Center Road to provide 4-foot paved shoulders on each side. Drainage systems are also being built and the roadway will be resurfaced. Completion is expected by spring 2017.

**Sept. 9-11**

**State Route 89** (El Dorado County) from the "Y" junction with Highway 50 to 13<sup>th</sup> Street: Northbound and southbound motorists can expect alternating lane closures from **7 a.m. to 7 p.m. Wednesday and Thursday and 7 a.m. to 11 a.m. Friday** for curb, gutter and sidewalk work. Motorists can also expect one-way traffic control from Pope Beach Road to Cascade Road from **7 a.m. to 7 p.m. Wednesday through Friday** for electrical work.

**State Route 28** (Placer County): Work continues on Placer County's \$50 million Kings Beach Commercial Core Improvement Project from State Route 267 to Chipmunk Street. The project is installing curb and gutter, sidewalks, roundabouts, lighting and drainage systems to enhance pedestrian and bicycle mobility, improve safety and provide water-quality improvements. Completion is expected this fall. For more information on the KBCCIP, go to: <http://kingsbeachcore.info/>

**Sept. 8-11**

**State Route 28** (Placer County) from Bear/Brook Street to the junction with State Route 267: Motorists should expect shoulder closures from **7 a.m. to 5 p.m. Tuesday through Friday** for curb, gutter and sidewalk work.

**State Route 267** (Placer County): Work continues on a \$5.2 million project to grind, pave and make drainage improvements to a nearly seven-mile stretch of State Route

267 from just north of Schaffer Mill Road to Brockway Summit. Completion is expected by the end of September.

**Sept. 8-11**

**State Route 267** (Placer County) from the Nevada County line to Carnelian Bay Avenue: Motorists can expect one-way traffic control from **8 p.m. to 6 a.m. Tuesday through Friday** for paving.

**U.S. Highway 50** (El Dorado County): Work continues on a \$57 million project by El Dorado County to construct a new overcrossing over U.S. Highway 50, new on- and off-ramps with signalized intersections, and new bicycle and pedestrian facilities at Silva Valley Parkway in El Dorado Hills. Completion is expected in 2016. For more information on this project, go to <http://www.edcgov.us/SilvaValley.aspx>

**Sept. 11-12**

**U.S. Highway 50** (El Dorado County) from Latrobe Road to Bass Lake Road: Westbound motorists should expect alternating lane closures and the Latrobe Road off-ramp closed from **9 p.m. Friday to 7 a.m. Saturday** for K-rail installation.

**State Route 49** (El Dorado County): Work continues on an \$8.4 million project to repave an 11-mile section of State Route 49 from Cool to Coloma. Most of the paving will use cold-in-place recycling in which the existing pavement is ground up and reused and then an asphalt overlay is placed on top of it. Rocks have also been added to some shoulder areas for erosion control and guard rail replaced. Completion is expected this fall.

**Sept. 9-11**

**State Route 49** (El Dorado County) from Lotus Road to Ranch Creek Circle: Motorists can expect one-way traffic control at various locations from **7 p.m. to 6 a.m. Wednesday through Friday** for paving.

**SHORT-TERM PROJECTS**

**State Route 28** (Placer County) from Agatam Avenue East to Beach Avenue: Northbound motorists can expect the #1 lane closed and a traffic shift to the auxiliary lane from **8 p.m. Wednesday to 6:30 a.m. Thursday** for sewer work.

**State Route 49** (El Dorado County) from the Amador County line to South Street in El

Dorado: Motorists can expect one-way traffic control at various locations **from 6 a.m. to 6 p.m. Wednesday through Friday** for miscellaneous work.

**State Route 49** (El Dorado/Placer County) from the junction with State Route 193 in Cool to Borland Street/Lincoln Way: Motorists can expect one-way traffic control at various locations from 8 a.m. to 4 p.m. Wednesday and Thursday for guardrail repair.

**U.S. Highway 50** (El Dorado County) from Apache Avenue to Country Club Drive in Meyers: Eastbound and westbound motorists can expect shoulder and auxiliary lane closures from **7 a.m. to midnight Tuesday through Thursday and 7 a.m. to 10 a.m. Friday** for grinding and paving work.

**U.S. Highway 50** (El Dorado County) from Truckee Drive to Reno Boulevard in South Lake Tahoe: Eastbound motorists can expect alternating lane closures from **8 p.m. to 8 a.m. Tuesday through Friday** for gas line work.

**State Route 89** (Placer County) from the Truckee River Bridge near Olympic Valley to Silver Creek Campground: Motorists can expect one-way traffic control at various locations from **7 a.m. to 5 p.m. Wednesday and Thursday** for ditch cleaning.

**State Route 193** (El Dorado County) from Kelsey Road to Main Street in Georgetown: Motorists can expect one-way traffic control at various locations from **8 a.m. to 3 p.m. Wednesday through Friday** for tree trimming.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above. Lanes are numbered from the center divide (#1) to the shoulder (#2, 3, 4, etc.).

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 1-800-427-7623 (ROAD) or visit Caltrans' "QuickMap" website at: <http://quickmap.dot.ca.gov/>
