### WEATHER CLOSURES

**State Route 89** (El Dorado County) is closed indefinitely from D.L. Bliss State Park to Emerald Bay State Park due to snow accumulation and avalanche dangers.

### LONG-TERM PROJECTS

**State Route 89** (Placer County): Work is in **winter suspension** on a \$70.1 million project from Tahoma to Granlibakken Road in Tahoe City that is upgrading storm water drainage and treatment systems, adding curb and gutter, resurfacing and realigning the road, adding new left-turn pockets and widening shoulders on an 8-mile stretch of the highway. Completion is expected in summer 2017.

**State Route 89** (Placer County): Work is **weather dependent** on a \$35 million project in Tahoe City to build a new Truckee River bridge east of the Caltrans Maintenance Yard with roundabouts on either end, replace the existing Truckee River (Fanny) Bridge, construct a roundabout at the "Wye" intersection and make complete street enhancements to the portion of State Route 89/West Lake Boulevard that will become a local road after project completion, which is expected in 2018. Lanes are numbered from the center divide (#1) to the shoulder (#2, 3, 4, etc.).
