Lake Tahoe Basin and El Dorado County Roadwork Schedule Sunday through Saturday, October 29 - November 4, 2017

LONG-TERM PROJECTS

State Route 49 (El Dorado County): Work continues on a \$22 million project to replace the South Fork American River Bridge in Coloma-Lotus. This project will make seismic improvements to the bridge, widen the structure to allow for 8-foot shoulders and 6-foot sidewalks, and also make roadway improvements to State Route 49 on either side of the bridge. Completion is expected in fall 2018.

Traffic was switched over to the first half of the new bridge on Saturday, October 21. Demolition of the old bridge is ongoing.

U.S. Highway 50 (El Dorado County): Work continues on a \$57 million project from the “Y” intersection with State Route 89 to the Trout Creek Bridge in South Lake Tahoe. This project is building new drainage systems to collect and treat stormwater runoff, rebuilding curb, gutter and sidewalks, widening the highway to allow for bike lanes and resurfacing the roadway. Completion is expected in fall 2019.

October 30 – November 3

U.S. Highway 50 (El Dorado County) from Dunlap Drive to Winnemucca Avenue: Eastbound and westbound motorists can expect the #2 lanes closed from **6 a.m. to 7 p.m. Monday through Wednesday** for landscape work.

State Route 89 (Placer County): Work continues on a \$35 million project in Tahoe City to build a new Truckee River bridge east of the Caltrans Maintenance Yard with roundabouts on either end of the realignment, replace the existing Truckee River (Fanny) Bridge, construct a roundabout at the “Wye” intersection and make complete street enhancements to the portion of State Route 89/West Lake Boulevard. Project completion is expected in fall 2018. For more information, visit: www.fannybridge.org

BE WORK ZONE ALERT

October 30 – November 3

State Route 89 (Placer County) from Fairway Drive to Mackinaw Road: Motorists can expect one-way traffic control from **7 a.m. to 1 p.m. Monday and 6 p.m. to 1 p.m. Monday through Friday** for k-rail removal to prepare for winter season.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above. Lanes are numbered from the center divide (#1) to the shoulder (#2, 3, 4, etc.).

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 1-800-427-7623 (ROAD) or visit Caltrans' "QuickMap" website at: <http://quickmap.dot.ca.gov/>
