## Lake Tahoe Basin and El Dorado County Roadwork Schedule Sunday through Saturday, November 26 - December 2, 2017

### LONG-TERM PROJECTS

**State Route 49 (El Dorado County):** Work continues on a \$22 million project to replace the South Fork American River Bridge in Coloma-Lotus. This project will make seismic improvements to the bridge, widen the structure to allow for 8-foot shoulders and 6-foot sidewalks, and also make roadway improvements to State Route 49 on either side of the bridge. Completion is expected in fall 2018.

**No traffic-interfering work is scheduled on the highway.**

**U.S. Highway 50 (El Dorado County):** Work is in **winter suspension** on a \$57 million project from the “Y” intersection with State Route 89 to the Trout Creek Bridge in South Lake Tahoe. This project is building new drainage systems to collect and treat stormwater runoff, rebuilding curb, gutter and sidewalks, widening the highway to allow for bike lanes and resurfacing the roadway. Work will resume in spring 2018 and completion is expected in fall 2019.

**State Route 89 (Placer County):** Work is in **winter suspension** on a \$35 million project in Tahoe City to build a new Truckee River bridge east of the Caltrans Maintenance Yard with roundabouts on either end of the realignment, replace the existing Truckee River (Fanny) Bridge, construct a roundabout at the “Wye” intersection and make complete street enhancements to the portion of State Route 89/West Lake Boulevard. Work will resume in spring 2018. For more information, visit: [www.fannybridge.org](http://www.fannybridge.org)

### SHORT-TERM PROJECTS
