Lake Tahoe Basin and El Dorado County Roadwork Schedule Sunday through Saturday, April 29 – May 5 2018

LONG-TERM PROJECTS

State Route 49 (El Dorado County): Work continues on a \$22 million project to replace the South Fork American River Bridge in Coloma-Lotus. This project will make seismic improvements to the new bridge, widen the structure to allow for 8-foot shoulders and 6-foot sidewalks, and also make roadway improvements to State Route 49 on either side of the bridge. Completion is expected this summer.

No traffic-interfering work is scheduled.

U.S. Highway 50 (El Dorado County): Work is resuming on a \$57 million project from the “Y” intersection at State Route 89 to the Trout Creek Bridge in South Lake Tahoe. This project is building new drainage systems to collect and treat stormwater runoff, rebuilding curbs, gutters and sidewalks, widening the highway to allow for bike lanes and resurfacing the roadway. Completion is expected in fall 2019.

April 30 – May 4

U.S. Highway 50 (El Dorado County) from Winnemucca Avenue to Silver Dollar Avenue: Eastbound motorists can expect the #2 lane closed from **7 a.m. to 5 p.m. Monday through Thursday and 7 a.m. to 11 a.m. Friday** for curb, gutter and sidewalk work.

State Route 89 (Placer County): Work is set to resume on a \$35 million project in Tahoe City to build a new Truckee River bridge east of the Caltrans Maintenance Yard with roundabouts on either end of the realignment, replace the existing Truckee River (Fanny) Bridge, construct a roundabout at the “Wye” intersection and make complete street enhancements to the portion of State Route 89/West Lake Boulevard. Completion is expected this fall. For more information, visit: www.fannybridge.org

April 30 – May 4

BE WORK ZONE ALERT

State Route 89 (Placer County) from the Tahoe City Transit Center to the Caltrans Maintenance Yard: Motorists can expect one-way traffic control at various locations from **10 p.m. to noon Monday through Friday** for utility work.

State Route 89 (El Dorado County): Work is set to begin on a \$3.6 million multi-use path project that will connect the existing path that ends at Sugar Pine Point State Park to Meeks Bay Resort. Completion is expected this fall.

State Route 89 (El Dorado County) from Meeks Bay Resort to Sugar Pine Point State Park in Tahoma: Motorists can expect one-way traffic control at various locations from **8 a.m. to 6:30 p.m. Monday through Thursday** for tree removal work.

SHORT-TERM PROJECTS

U.S. Highway 50 (El Dorado County) from Sly Park Road to Cedar Grove: Westbound motorists can expect the #2 lane closed from **7:30 a.m. to 3:30 p.m. Monday** for maintenance work.

U.S. Highway 50 (El Dorado County) from Twin Bridges Road to the junction with State Route 89 in Meyers: Motorists can expect one-way traffic control at various locations from **6 a.m. to 4 p.m. Monday through Wednesday and 6 a.m. to noon Thursday** for guardrail repair work.

U.S. Highway 50 (El Dorado County) from 42 Mile Stone to Camp Sacramento: Motorists can expect one-way traffic control at various locations from **7 a.m. to 5 p.m. Monday through Thursday** for dead tree removal work.

U.S. Highway 50 (El Dorado County) from Mt. Ralston Road to Alpine Avenue east of Phillips: Motorists can expect one-way traffic control from **7 a.m. to 6 p.m. Monday through Friday** for drainage repair work.

State Route 89 (El Dorado County) from Eagle Point Campground to Bayview Campground: Motorists can expect signalized one-way traffic control **around the clock** for retaining wall work. The project is expected to be completed in late May or early June.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above. Lanes are numbered from

BE WORK ZONE ALERT

the center divide (#1) to the shoulder (#2, 3, 4, etc.).

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 1-800-427-7623 (ROAD) or visit Caltrans' "QuickMap" website at: <http://quickmap.dot.ca.gov/>
